Please replace drawing Sheet 5 with Replacement Sheet 5 containing Figure 6.

REMARKS

Claims 1-9 were pending when last examined. No Claims are amended through this response. Applicants respectfully request reconsideration for Claims 1-9.

Objections to the Drawings

Fig. 6 is objected to for informalities. Replacement sheet 5 is submitted with this response. Applicants respectfully request the replacement sheet be entered and the objections to the drawings withdrawn.

Claim Rejections 35 USC 102

Claims 1-8 are rejected under 35 U.S.C. §102(e) as being anticipated by Song (US 7184108 B2) (hereinafter "Song"). The present application was filed on October 29, 2004 and claims priority to Korean Patent Application 10-2003-0075872 filed on October 29, 2003. The Song patent was filed in the United States on March 26, 2004, after the present application's date of invention, and therefore cannot be a prior art reference under 102(e)(1).

Examiner has indicated that "applicant cannot rely upon the foreign priority papers to overcome this rejection because a translation of said papers has not been made of record in accordance with 37 CFR 1.55. A translation of the Korean Patent Application 10-2003-0075872 is submitted with this response. Accordingly, Applicants respectfully request the rejections to claims 1-8 be withdrawn.

Claim Rejections under 35 U.S.C. §103

Claim 9 is rejected under 35 U.S.C 103(a) as being unpatentable over Song as applied to claim 5 above, and further in view of Shin et al. (US 20070040956 A1). Claim 9 is

patentable at least for the reason of dependency on claim 1. Further, as discussed above, Song is not a proper 102(e) reference and therefore cannot be a reference under §103 for the same reasons. Accordingly, Applications respectfully request the rejections to claim 9 be withdrawn.

CONCLUSION

In light of the foregoing, Applicants respectfully request that the rejections and objections be withdrawn and the claims allowed. Should any other action be contemplated by the Examiner, it is respectfully requested that he contact the undersigned at (408) 392-9250 to discuss the application.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 50-2257 for any matter in connection with this response, including any fee for extension of time and/or fee for additional claims, which may be required.

Respectfully submitted,
